

Calcutta Rules

Before the show, we will be auctioning groups heifer calves in a calcutta format.

The successful buyer of the group that the Champion heifer comes out of will receive 35% of the total calcutta pot. The buyer of the group that the Reserve Champion heifer comes from will receive 25%. In the event that more than one winner comes from the same group, only one prize will be awarded. We will go to the third place heifer to determine the other winner. Remaining monies are used to cover expenses for the show. ***For each breed champion in your group, you win 2.5% of the pot. Choose wisely.**
